

**E. O. Smith Parents' Association Membership Information**

As parents of high school students, it is important to show positive support and become informed regarding student, staff, opportunities and events at E.O. Smith High School. The Parents' Association works to present information to parents relating to the school community. All are welcome to become members.

**What We Do**

Our **funds** and members serve to promote various school projects, such as:

**Awarding scholarships to graduating seniors**

- Expanding school-to-home communication and dialogue
- Providing accurate information about school-related issues
- Showing staff appreciation through recognition

**About Our Meetings and Plans**

The E. O. Smith Parents' Association usually meets on **the first Monday of every other month from 7:00 pm - 8:00 pm** in the Library Media Center. Monday holidays result in variations. Check cable Channel 17 or the website ([http://eosmith.org/web/rsd19/parents\\_association/](http://eosmith.org/web/rsd19/parents_association/)) for meeting dates. Meeting topics vary so please feel free to forward us ideas for discussion.

**Because our funds come entirely from annual dues and contributions, your generous response to this letter is appreciated.**

For more information, contact Parents' Association Co-Chairs Julie Menard (429-9638) or Diana Pelletier (429-5294) or **email eosmithparents@gmail.com**

We encourage parents to attend our bi- monthly meetings starting in September and urge you to complete the membership form.

Basic Membership: \$15

Scholar Donor (includes membership) \$25
