The committee approved the Building Committee Minutes for February 24, 2010

Bruce reported that he met with Mr. Pemberton and Mr. Kraus to discuss information about "design-build" projects. Mr. Krauss provided detailed information about different construction methodologies and the steps that would need to be taken to prepare bid specifications for design-build projects. Mr. Silva also reported that he had spoken to Vince McDermott (Milone & MacBroom) and he agreed to review the District's construction budget and would be happy to join the committee at their next meeting by phone.

The committee decided that it would be best to schedule the bonding referendum for the project on Tuesday, September 28, 2010.

Ms. Chamberlain presented the committee with a "draft" public information brochure for the project. Members of the committee made suggestions to improve the document. Mr. Kremer and Mr. DeLoreto agreed to work on the publication with Ms. Chamberlain.

The Building Committee agreed to meet again on April 14, 2010 @ 4:00 p.m.
