The purpose of the meeting was to discuss and award the contract for the athletic facilities renovation.

There were seven bids for this project and they were opened last Friday, April 1, 2011.

The lowest bidder was Mountain View, Inc, of Chicopee, MA. Our architect stated that Mountain View is both able and capable of doing this project.

Mountain View employees between 60 and 70 people specializes mainly in parks, playgrounds and athletic field work. They have done similar projects for the Towns of Simsbury and Farmington, CT, a sports complex for American International College in Springfield, MA and the Connecticut Science Center and the Connecticut Convention Center in Hartford.

Local contractor Beebe Construction requested a review by the board since he is a townsperson and the work would be done by local workmen.

Town Attorney Dennis O'Brien stated that we should go with the lowest bidder.
