Regional School District 19 E.O. Smith Parent Advisory Group

Mission: To facilitate communication and collaboration between the school district and the parents of children with special needs. Through collaborative practice, we strive to positively impact special education programs and services for the students of Regional School District 19.

Members: A group of parents and educators who work together to support a continuum of services and inclusive practices for all children and families of Regional School District 19.

Actions

- ❖ Hold regular meetings
- ❖ Provide important information to parents and the community
- ❖ Schedule events and activities
- ❖ Provide feedback to the school district to improve practice
- ❖ Serve as a resource for parents and the community

Goals

- ❖ Create a welcoming, inviting school culture at E.O Smith High School
- ❖ Connect family engagement to improved outcomes for students
- ❖ Honor and acknowledge parent's understanding of their child
- ❖ Sponsor activities and events that that help parents and students reach their goals
